MRS. MARY ZELLNER

Dear Mrs. Zellner,

You have taught the students of Hulbert High School for many years. You have strived to impart to us knowledge, and principles by which we must live.

Not only have you been our teacher, but our friend and counselor as well. You have tried to give us a boost up the steep ladder of success. If we failed, it was not your fault; it was ours. You have strived for us and with us throughout the weeks and months of your classes.

To show our appreciation of your interest in us, we wish to dedicate the '62 Rider to you.

Sincerely,

THE RIDER STAFF

Superintendent's Message

To the students of Hulbert High School:

As you walk the halls of this school, whether this is your first year or your last, may you always keep in your heart the knowledge that anything worth having is worth working for.

This annual records achievements and rewards of you students that are a result of hard work. Keep this book always. In later years when you look back over these pages, may you remember with pride your accomplishments that were a result of your hard work.
